C5550 MFP

OKI
PRINTING SOLUTIONS

A4 colour multifunction product for demanding workgroups

The C5550 MFP is a truly integrated 4-in-1 colour and mono machine that can print, copy, scan and fax. It will satisfy today's high-volume office demands, and bring extra productivity, capability and cost-savings to an operation. This is the latest in a long line of proven MFP products from OKI Printing Solutions. It is perfect for small, busy workgroups of up to ten users, delivering fast, efficient A4 colour, along with true multifunctionality and real value for money. The C5550. The MFP designed to enhance the pace and professionalism of business.

Exceptional value, multifunctional product.

The C5550 MFP has the speed and capability to bring real benefits to the office. Superior print and copy performance will enhance productivity, without compromising on print quality. And all this at a cost that's well within the reach of any business.

More functionality. More productivity. More power to business.

With its superior paper handling and software, businesses can quickly produce professional results in-house. Big tasks are handled with ease - high duty cycle, large capacity consumables and excellent paper handling ensures workgroups keep printing. The C5550 MFP offers analogue fax and scan to e-mail, FTP and CIFS directly.

High quality documents for a better impression.

Even with class-leading speed, there is no compromise on print quality. ProQ2400 Multi-level technology and microfine High Definition Toner together improve detail, colour depth and finish. Photo Enhance ensures stunning pictures on normal office paper, for truly professional looking documents, while Auto Colour Balance means consistent results throughout the life of the printer.

The dependable C5550 MFP keeps the work flowing.

Like all OKI Printing Solutions' products, the C5550 MFP is built to perform, day in day out. Its impressive duty cycle, combined with its single-pass, straight paper path minimises the need for user intervention and maintains workflow. For added peace of mind the C5550 MFP comes with one year on-site warranty.

Handle the network. Manage the costs.

Included within the C5550 MFP are three useful and powerful pieces of software, all of which help to keep costs down and productivity up. Set-up utility allows easy installation across a network, PrintSuperVision enables administrators to remotely monitor all printers and Print Control makes it simple to manage colour usage and costs.

Simple to install. Even easier to operate.

With its compact, ergonomic design the C5550 MFP fits into the smallest office space. It is network-ready and simple to set up. Once up and running, the user-friendly operator panel speeds every function while advanced utilities such as Web Print and Photo Enhance make it easy to produce outstanding results.

	Memory	Optional 256MB RAM (43363301), 512MB memory (43363302)
	Hard Disk Drive	40GB Optional (41376043)
	Second tray	Optional (43347610)
	Cabinet	CABINETOC7200

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the Oki trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.
