# The slim bezel
46″ LCD display
DSD46-HE

The DSD46-HE is designed with creative and flexible signage in mind. This display has a special slot for an AOPEN Digital Engine which eliminates the need for an external mount system for your media player. With the slim bezel that makes it easy to integrate the display in existing designs the DSD46-HE is ideal for retail and commercial environments.

The unique design of the DSD46-HE provides:

+ Ideal viewing angle for both portrait and landscape mode
+ Aesthetics: narrow bezel of 11.8 mm and hidden handles
+ Special slot for the Digital Engine media player
+ Fanless design
