NCR RealPOS™ 70_XRT_

POS Workstation

Looking for a POS solution that
accelerates your business?

YES

The NCR RealPOS 70_XRT_—business accelerated

The new NCR RealPOS 70_XRT_ delivers extreme retail technology for
today's high-speed retail environment. Designed to accelerate your
customer service and your ROI, the NCR RealPOS 70_XRT_ combines
business-optimized technologies, innovative retail design and industry-
leading serviceability. Featuring extreme performance and scalability,
exceptional energy efficiency and multi-tiered manageability, the NCR
RealPOS 70_XRT_ enhances the customer experience, empowers employees
and reduces costs.

- **Enhance the customer experience**

  The NCR RealPOS 70_XRT_ is designed to accelerate your customer service
  with advanced platform technologies that allow you to deploy
  exciting customer-centric applications now or the future. You can
  personalize the customer experience with high-definition multimedia,
  interactive touch capabilities and a customizable consumer-facing
  display system for order verification, promotions and loyalty
  programs.

- **Empower employees**

  The NCR RealPOS 70_XRT_ is designed to improve your associates'
  productivity with user-friendly interaction that's fast, reliable and
  flexible. With our intuitive touchscreen interface and powerful
  multimedia capabilities, you can run the latest POS, back-office and
  training applications to improve efficiency and empower employees.

- **Reduce cost of ownership**

  The NCR RealPOS 70_XRT_ can reduce power consumption up to 50%
  over previous-generation POS terminals with energy-efficient Intel®
  processors and a high-efficiency power supply. Our industry-leading
  serviceability and manageability improve system availability and help
  reduce support costs. The NCR RealPOS 70_XRT_ is designed to provide
  years of reliable operation, while the extreme performance and scal-
  ability helps protect your systems investment.

- Intel Core™ 2 Duo processor P8400 (1060 MHz FSB)
- Intel Celeron® Dual-Core processor T3100 (800 MHz FSB)
- Intel Celeron® processor 900 (800 MHz FSB)

MOTHERBOARD

- Intel GM45 Express chipset
- Mobile Intel graphics media accelerator (GMA) 4500MHD
- Intel® clear video technology
- Intel matrix storage technology 7.0 with integrated RAID support

MEMORY

- Dual channel DDR2 800MHz memory
- 1GB up to 4GB available (8GB maximum)
- 2 SODIMM memory sockets
- 128MB up to 256MB dynamic video memory technology (DVMT)

STORAGE OPTIONS

- 3.5" 160GB SATA hard disk drive
- Dual 2.5" 160GB SATA hard disk drives
- 2.5" 40GB SATA solid state drive (SSD)
- Integrated slimline CD/DVD ROM drive

CONNECTIVITY

- 12 USB ports total:
  - 4 PC USB (5V)
  - 2 powered USB (12V)
  - 1 powered USB (24V printer)
  - 5 dedicated USB ports (reserved)
- 5 RS-232 ports (selectable power 0/5/12V)
- Cash drawer port (dual drawers via optional Y cable)
- 10/100/1000 MB (Gigabit) Ethernet LAN
- VGA Port (dual independent display support)
- Audio ports:
  - Front channel line out
  - Rear channel line out
  - Line in (mic)
- Integrated USB wireless option

CASHIER INTERFACE

- 15" capacitive touchscreen
- 17" capacitive touchscreen
- High-brightness LCD
- Full-tilt capability (0 to 90º)
- Integrated stereo speakers
- Motion sensor

CASHIER INTERFACE OPTIONS

- Integrated 3-track ISO MSR
- Integrated Biometrics, optical fingerprint reader

CONSUMER DISPLAY OPTIONS

- 2 x 20 VFD (integrated or pole mount)
- All Points Addressable (APA) display

- Color LCD: 6.5", 12" or 15"
- 15" color LCD with capacitive or resistive touchscreen

OPERATING SYSTEMS

- Windows® XP Professional
- Windows Embedded POSReady
- SUSE® Linux® Enterprise for Point-of-Service (SLEPOS)

POWER MANAGEMENT

- 80 PLUS certified power supply (260 watt capacity)
- ACPI 3.0 compliant
- Intel® C-state architecture

SYSTEMS MANAGEMENT

- PXE network boot
- Wake on LAN
- LED dashboard
- Intel Active Management Technology 4.0 (Intel AMT)
- NCR Retail Systems Manager (RSM)

COMPLIANT STANDARDS

- RoHS, WEEE

DIMENSIONS

- Base with 15" touchscreen/no MSR (W x D x H)
  - 14.5" x 12.0" x 14.5" (36.8 x 30.5 x 36.8 cm)
